

FAIR SHARE FESTIVAL 2016

proudly hosted by

TRANSITION NEWCASTLE

**Connected communities, economic justice and sustainable lifestyles.
11-13 November 2016 in Newcastle**

This year the Fair Share Festival will focus on over-consumption, waste and upcycling. It will be a weekend of workshops, speakers, films, upcycling events, repair cafes, stalls, entertainment and more.

Can you help make it happen?

We are looking for suggestions of inspiring speakers and workshop presenters; people who have skills or experience they are happy to share; and other offers of help. Please let us know if you can help with:

1. Suggesting speakers or workshops
2. Presenting a paper or workshop around one of our themes
3. Providing music, entertainment or art works
4. Running a food stall or having a stall consistent with the theme of the festival
5. Sponsoring the festival
6. Offering specialist skills that could help us (e.g. graphic design, promotion)
7. Planning and organising the festival
8. Volunteering on the day.
